REQUESTING AGENCY REMARKS: DPSCS is one of the largest departments in
Maryland State government. The major divisions directly related to the detention, custody and
supervision of persons who are detained, incarcerated or supervised in the community include
the Division of Pretrial Detention and Services, the Division of Correction, Patuxent Institution

and the Division of Parole and Probation. On a daily basis, the Division of Pretrial Detention and Services, the Division of Correction, Patuxent Institution and the Division of Parole and Probation supervise approximately 100,000 individuals in 23 correctional facilities and 45 parole and probation supervision offices throughout the State. The DPSCS mission is to help make communities safe through effective oversight and supervision. Detecting, deterring and treating substance abusers are essential components to this process.

DPSCS has determined that the Contractor, Phamatech, Inc., is fulfilling all the contract requirements and that the price is reasonable based upon the renewal rates approved during the contract award. Exercising the renewal option is in the best interest of the State and it is crucial that drug tests or expert testimony appearances are performed and the chain of custody for drug testing be maintained for the accuracy of test results/analysis.
